

## Sloane

*Sloane is ideal for retail parks, car parks and recreational areas, where low light pollution is desired.*

- Capped sphere in silver or black, virtually eliminates upward light.
- Efficient light distribution.
- Clear polycarbonate sphere.
- Black polycarbonate base and cowl.
- Integral control gear.
- Aluminium louvre, as standard.
- 76mm dia column spigot.
- Typical mounting height of 5 - 6m.
